

*The Innovative Methodologies to Promote  
the Advancement of Clinical Transformative  
Supervision in Vocational Rehabilitation Project*

## Do you want to enhance your leadership skills, reduce staff turnover, and improve outcomes at your VR agency?

**ImpactVR** offers training for current and aspiring vocational rehabilitation (VR) supervisors to strengthen and expand the use of Clinical Transformative Supervision (CTS) within VR. Our innovative trainings offer practical, evidence-informed skills to help you lead more effectively, support your staff, and improve employment outcomes for the people you serve.

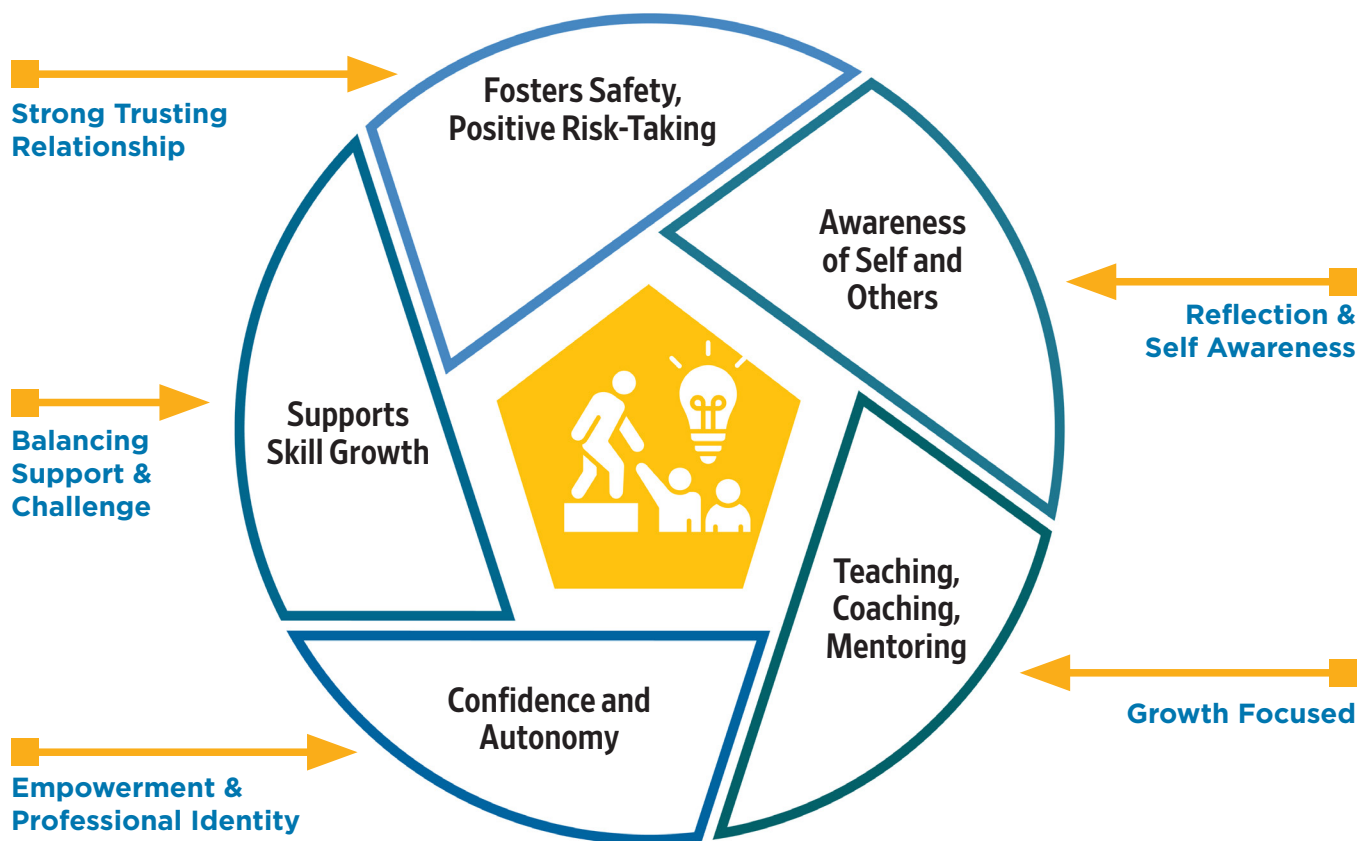

## Why Clinical Transformative Supervision?

- Reduce staff turnover through stronger supervisory support
- Enhance supervisors' ability to navigate complex and challenging situations
- Strengthen ethical decision-making
- Improve the quality and quantity of successful employment outcomes

## What is Clinical Transformative Supervision?

Clinical Transformative Supervision (CTS) is an approach to staff supervision that emphasizes building and fostering trust, self-awareness, confidence, and professional growth and identity.

## Five Components of Clinical Transformative Supervision

## ImpactVR Training:

ImpactVR offers training at three levels of engagement: **Intensive**, **Targeted**, and **Universal**.

### 1. Intensive Training

A comprehensive, cohort-based experience:

- **Acquisition:** Complete an interactive, online, asynchronous multi-module training course
- **Integration:** Reinforce your learning with peers at facilitated peer learning-team summits
- **Application:** Complete an individualized CTS Implementation Project

### 2. Targeted Training

Virtual or in-person CTS training, customized for:

- VR agencies
- regional leadership teams and summits
- VR professional associations and allied partners

### 3. Universal Training

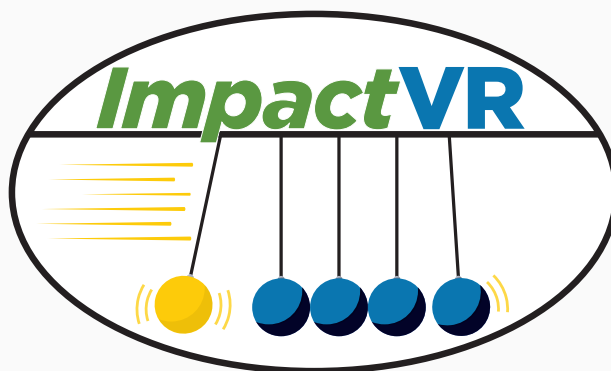

Accessible and inclusive introductory resources delivered through:

- podcasts
- webinars
- short online modules

## How can I Access ImpactVR Training?

Visit ExploreVR to access each level of training:

- **Intensive Training Cohorts:** Registration opens Fall 2026
- **Targeted Training:** Request sessions by contacting Russell Thelin, [Russell.Thelin@umb.edu](mailto:Russell.Thelin@umb.edu)
- **Universal Training Resources:** Available beginning Summer 2026
