

Academic Course Plan

Student Name: _____

Course Number: _____

Course Title: _____

Instructor: _____

Ready for Life Academy students are expected to meaningfully participate in their academic courses. Meaningful participation will look different for every student and is determined on an individual basis. For this course meaningful participation will include:

Goal #1 Attendance: (Student) is expected to attend and be on-time for at least 85% of classes.

Goal #2: Participation: (Student) will participate in at least 85% of classes. Participation for (student) will include:

- 1.
- 2.

Goal #3 Assignments (Quantity): (Student) will complete the following assignments and turn them in by the stated deadlines:

Modified / Unmodified	Assignment	Due Date	Assignment Notes (Optional)
			Alternative to final

If open to discussing additional modified course work for this class please contact Ready for Life Instructor, *(insert name & email)*

***Student may complete additional assignments for the class as part of their participation in the course. However, only the above assignments should be used to determine grade of CR/NC**.*

Goal #4 Assignments (Quality): Quality assignments for (student) will reflect that the student took adequate time and effort to complete the project. (student) goals for quality assignments include:

- 1.
- 2.

Resources/Support: In order for (student) to be successful they will need the following resources and/or support:

- 1.
- 2.
