

TIPS FROM FACULTY: ENGAGING STUDENTS WITH INTELLECTUAL DISABILITIES ENROLLED IN COLLEGE COURSES

November 3, 2021

Think College Webinar

Shakonda Diggs, Associate Professor of College Success and Career Planning

Patrick McDermott, Professor of College Success and Career Planning and Program Chair

TODAY'S OBJECTIVES

- Identify the need to facilitate student engagement in determining their course expectations (i.e., Academic Agreement).
- Provide examples of assignment modifications to meet student learning outcomes.
- Provide examples of assessment modifications to meet student learning outcomes.
- Explain adjusted grading to reflect students' achievement level of their chosen learning outcomes.
- Identify methods to support and engage students with ID in their college courses.

HOW FACULTY MAKE THIS PROGRAM SUCCESSFUL

Who teaches in the program?

Courses ALL students take: (See packet for full credential)

English Composition	Interpersonal Communication
College Success	Dynamics of Leadership
Positive Living	Computer Basics
Internship	Life skills sessions (workshops)

Then the student will choose a Pathway.

Faculty:

- **Collaboration (Student Affairs, Academic Affairs, and professors)**
- **Professional Development Workshops**
- **Engagement Hours**

LEARNING OUTCOMES- EXAMPLE

GENERAL EDUCATION LEARNING OUTCOMES

SOCIAL SCIENCE LEARNING OUTCOMES

COURSE LEARNING OUTCOMES

DIGITAL FOCUS LEARNING OUTCOMES

- Students will find, operate, and/or utilize digital tools for academic and professional purposes.
- Students will use digital tool(s) to create, modify, and/or organize content.
- Students will use digital tool(s) and/or communicate content effectively.

COURSE AND STUDENT LEARNING OUTCOMES-TOOLS

PROCESS

- Meet with student and mentor.
- Have student review course syllabus.
- Have student figure out what they want from the course based on Student Learning Outcomes and course description.
- Professor reviews student's notes.
- Professor aligns outcomes and course activities and assignments.
- Fill out Academic Agreement.
- Meet with student and mentor on a regular basis to monitor progress.
- Develop/revise assignments as needed.

TOOLS FOR FACULTY:

- Course Syllabus (Universal Design for Learning-UDL)
- Pacing/ Canvas
- Mentor
- Course assignments/ rubrics
- Academic Agreement
- Midterm and Final evaluation

Eagle Connections Academic Agreement

Semester:	Course:

List 3-5 objectives (from the syllabus) below to be the learning goals for the student.

Course Objectives to be met by the student:	List resources available to help the student complete the objective.	List how the student will demonstrate understanding and successful completion of the objective.

A mid-term meeting should be scheduled to assess how the student is progressing and offer guidance as needed. Students are auditing the course and do not receive credit or a GPA. However, they are expected to participate and complete the course objectives listed above to show Satisfactory Academic Progress. Please make copies for the instructor, student, and mentor.

FACULTY COLLABORATION

- Link classes to meet multiple outcomes.
- Overlap assignments to meet outcomes in both courses.
- Create a calendar for students to follow that shows the pacing.
- See packet for examples.

Assignment	Due in Canvas by 11:59PM in both SLS1510 and SLS2261

FINAL GRADE EXAMPLE

Attendance and Participation- Prior to virtual transition	25	25	☒
Assignments	85%	331.50 / 390.00	
Total	85%	331.50 / 390.00	

NEEDS

- Open lines of communication
- Administrative support
- Training

HOW TO OVERCOME CHALLENGES

- Meet mentor and student before class begins.
- Have mentor attend class with student.
- Choose faculty that understand and support the mission of program – faculty should be open to learning.
- Consider that every student has unique needs.
- Provide support outside of class.
- Student should be motivated.
- Articulate program exceptions to family and student.
- Behavior issues – learn how to deescalate.

YOUR TURN
