

Developing Partnerships for Inclusive Campus Housing

Jonathan Lidgus M. Ed.
Director- UMSL Succeed

June 12, 2019
Webinar for Think College

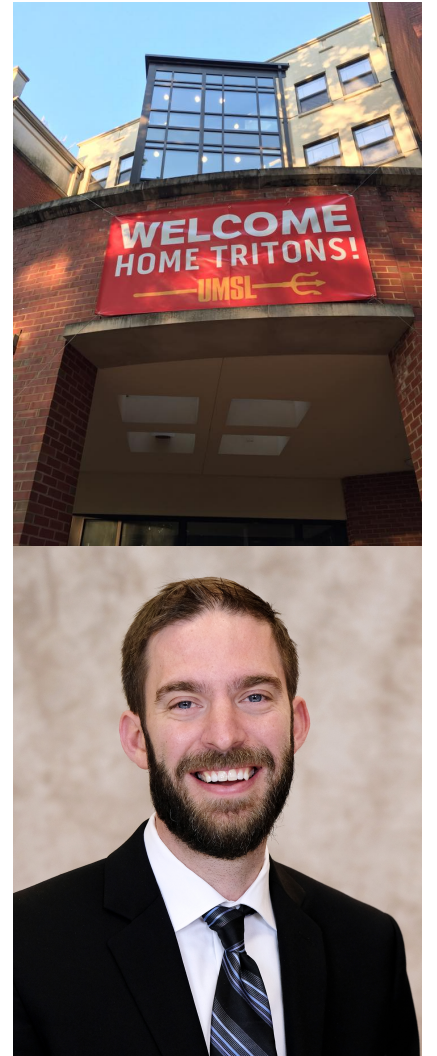

UMSL | We transform
LIVES
UNIVERSITY OF MISSOURI-ST. LOUIS

Agenda

- Introduction
- Supports & practices in campus housing
- Development of inclusive housing within UMSL Succeed
- Key campus partnerships
- Lessons learned
- Transitioning to the residence halls
- Key Points

Introduction

- M. Ed. in Counseling
- Doctoral Student in Education
 - Focusing on Transition in Higher Education and Inclusive Housing
- Former Director of Residential Life and Housing at UMSL
- Part of UMSL Succeed Program Development team

Supports and Practices in Campus Housing

- UMSL Campus Housing Mission: Maintaining a learning environment that encourages academic success, student engagement, personal growth, and personal responsibility
- Growth comes from group living.
 - Intentional educational experiences
 - Participation in extracurricular, social, and cultural events
- Outcome - Positive gains in:
 - Psychosocial development
 - Intellectual orientation
 - Self concept

(Schroeder & Mable, 1993)

Supports and Practices in Campus Housing

- Increased growth in:
 - Aesthetic, cultural, and intellectual values
- Increased connection to campus
- Higher graduation rates
- Higher retention rates
- Housing programs must address six student learning domains (Wells, 2015):
 - Knowledge acquisition, integration, construction and application
 - Cognitive complexity
 - Intrapersonal development
 - Interpersonal competence
 - Humanitarianism and civic engagement
 - Practical competence

Supports and Practices in Campus Housing

- Areas in which supports are typically needed:
 - Physically
 - Emotionally
 - Socially
 - Family
- Housing Supports:
 - Professional Staff
 - Student Staff (Peer Supports)
 - Resident Advisors
 - Desk Assistants
 - Community Advisors
 - Academic Peer Mentors
- Campus Supports
 - Student Affairs
 - Campus Police
 - Counseling Services
 - Academic Affairs
 - Student Involvement
 - Campus Recreation

Development of Inclusive Housing within Succeed

- About the Succeed Office
 - 2 – Year Certificate Program
 - Entering 7th year on UMSL Campus
 - 15-18 student admitted per year
 - Pillars: Live, Learn, Work, Play
 - Graduate with College of Education
 - Link Program:
 - Degree Student Support in 4 Pillars
 - Succeed +:
 - 3rd Year vocation internship for Certificate graduates
- Development Process for inclusive Housing
 - Planning team approached me
 - Jonathan said “no”
 - Planning team received external funding for development
 - Jonathan goes on a field trip

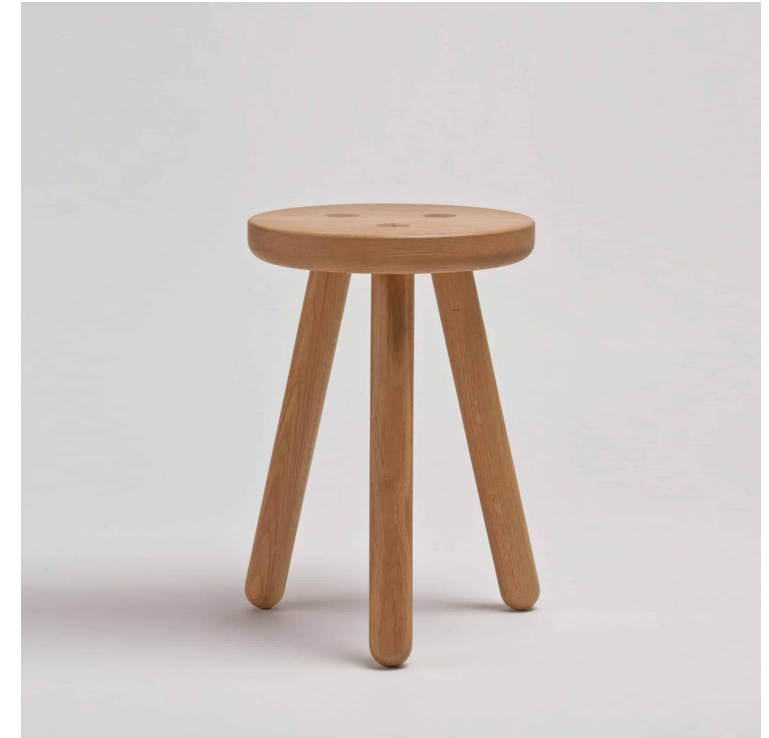

Development of Inclusive Housing within Succeed

- Jonathan's Field Trip (Overcoming fear)
 - Visited post-secondary program
- Jonathan's life changing light bulb goes off.
 - The goal of a University College, Department, Program, or office is to support students
 - Joined Succeed Program planning team (Establishing Partnerships)
- Development process had two key milestones
 - Overcoming fear
 - Establishing Partnerships

Key Campus Partnerships for Inclusive Housing

- Must Establish Rapport and a Support Structure:
 - Housing
 - Student Affairs
 - Police
 - Conduct
 - Health & Wellness
 - Counseling
- Develop Support Structure with Key Partners
 - Routine Meetings
 - Emergency Protocol
 - Data sharing
 - Celebrations

Key Campus Partnerships for Inclusive Housing

- Support Practices in Housing:
 - Housing assignment process
 - Housing staff training
 - Direct support for students – RA & PSP housing staff
 - Natural housing supports for students – peers & roommates
 - Programming – how are activities inclusive?
 - Support student in campus conduct meetings
 - Mental health
 - Parent support
 - Academic support
 - Policies – what policies does the PSP have in place?

Lessons Learned

- Lesson in true inclusion
 - Housing Assignment process
 - Support Structure
 - Family Communication (FERPA)
- Campus Lessons
 - Miscommunication
 - Conduct

Transition to Housing: Student Support

- Camp opportunity
- Meet and greet for new students
- Family workshops
 - Preparing the family over summer
- Move-in
 - When does it happen?
 - Leadership component
- First 3 weeks

Transition to Housing: Family Support

- Parent workshop series
- Person Centered Planning
- Communication plans
- Caretaker vs. Advisor

Outcomes of Inclusive Housing

- Social growth of students
 - Peer interaction
 - Social support
 - Activity participation
 - Increased rate in attendance in activities
 - Conflict management
 - Decreased rate of incident referrals
- Academic Support
 - Learning community – holding each other accountable

Key Points to Review

- Inclusive Housing Development
 - Overcoming Fear
 - Establish Partnerships
- Support
 - Three legged stool
- Transition
 - Student
 - Family
