

**STUDENT SPOTLIGHT:
TUBA KAUSAR****What is your name, where are you from, and what college are you attending?**

My name is Tuba Kausar. I am from Mansfield, Massachusetts. I am attending Bridgewater State University.

What classes are you taking, and which is your favorite?

I am taking Hatha Yoga and Movement and Relaxation. My favorite is Hatha Yoga.

What campus activities do you like to participate in?

Best Buddies and Coloring for Calm. Coloring for Calm is a club that meets on Fridays. We rate our stress level at the beginning of the hour and the end of the hour to see if coloring helped with our stress. Recently, I colored a peacock.

What do you like to do when you're not attending class?

Go to the movies and hang out with my friends.

Can you name one thing that you learned about yourself while you've been at college?

I learned that I want to work with people when I get a job.

Who's the person who has helped you most on campus?

My ed coach Miss Holly is the person who has helped me the most on campus.

What's good about college?

All the new friends that I made

What do you hope to do after college, after you graduate or get your certificate?

I hope to get a job working with people, maybe as a fashion designer and working in the theatre

What advice do you have for young students with disabilities who aren't sure about college?

I would tell them don't be scared, give it a chance!

Tuba enjoying the last days off autumn.

**Don't be scared,
give it a chance!**

—Tuba Kausur

Do you have any advice about college for parents of students with disabilities?

Don't be afraid. Your child will be fine and will get the support she needs.

If you could go anywhere in the world, where would you go?

I would go to Florida and go to Disney World to see all the princesses.

Bridgewater State University

EXCEL Program

The EXCEL (Extraordinary Expectations Career - Education - Life) Program at Bridgewater State University is a fully-inclusive postsecondary program for individuals with intellectual and/or developmental disabilities. Students in the EXCEL program share the same experiences as their college peers in the areas of academics, socialization, professional development, and independent living.
