

Student Plan of Action

Students not meeting satisfactory academic progress will follow this plan of action while on academic warning. If the student follows the plan and makes satisfactory progress, they will return to good standing. A student can only remain on academic warning for one semester. If the student does not make satisfactory progress after one semester, they will be dismissed from Sooner Works.

Satisfactory academic progress is assessed in academics, socialization, independent living, and career development.

Student Name:	
Date:	
Meeting Attendees:	
Reason for Meeting:	

Student's explanation for unsatisfactory progress:
Actions staff have already taken:

Sooner Works staff reviewed the signed program expectations with the student: Yes ☐ No ☐

Student Improvement Plan	
Responsibility 1:	
Responsibility 2:	
Responsibility 3:	
Responsibility 4:	
Responsibility 5:	
The student is expected to complete all responsibilities listed above by this date: If the student does not meet the above responsibilities by the designated date then an meeting will be held with student, program staff, and parent to discuss further action.
