

Leadership Essentials for Middle Managers: Guiding Change from Within

From Vision to Action

Minnesota is actively transforming disability employment services to align with the values of Competitive Integrated Employment (CIE) and Community Life Engagement (CLE). Middle managers are essential to leading this transformation from within their organizations.

This 8-month course is designed for middle managers and emerging leaders committed to building inclusive, community-based opportunities.

➔ Course Focus

- Explore the history and policy context driving Minnesota's transformation
- Gain leadership and management skills to guide staff through change
- Navigate the shift from 14(c) to CIE with clarity and confidence
- Align staff roles, resources, and funding with Employment First values
- Apply best practices in inclusive employment and community life
- Manage resistance and build a culture of high expectations
- Use data systems to support innovation and track outcomes

➔ Course Structure

- 8 Monthly online learning modules (1–2 hours each)
- Monthly 1-hour Zoom discussion for peer learning
- Individualized mentorship, including 1:1 coaching toward a leadership goal

➔ Time Commitment & Audience

- Approximately 3 hours per month for modules and calls, plus time for mentorship meetings
- Ideal for middle managers or emerging leaders interested in building leadership skills
- Participants must be supported by supervisors to apply what they learn in their daily work
