Duties
Description

The Office for People With Developmental Disabilities (OPWDD) provides supports and services to approximately 130,000 individuals with developmental disabilities. OPWDD's vision is for individuals with developmental disabilities to enjoy meaningful relationships with friends, family and others in their lives; experience personal health and growth; live in the home of their choice, and fully participate in their community. Community participation can be achieved through employment and engagement in meaningful community activities such as volunteering. OPWDD has a goal to increase the number of individuals with developmental disabilities who are employed in integrated settings and earning at or above minimum wage as well as increase the number of vocational and community experiences.

The function of this position is to oversee staff and assist in employment policy development, technical assistance to voluntary providers in SEMP, Community Based Prevocational, Pathway to Employment and Site Based Prevocational services and program data collection and analysis. The position would provide assistance to the regional offices regarding the best service for an individual when either coming through the Front Door or requesting additional waiver services. The position is also responsible for a quality review and approval of requests to bill for Intensive SEMP consistent with OPWDD's person centered philosophy. The position will provide supervision of several employees in the unit, as assigned.

Duties include:

1. Conduct research in law, rules, regulations, and program procedures, and prepare draft changes as needed.
 2. Provide operational support, programmatic information and assistance to staff.
 3. Obtain information necessary to full respond to inquiries from staff or other bureaus.
 4. Review, analyze and prepare routine reports, letters and correspondence on program area.
 5. Participate in the development of person-centered plans and service delivery.
 6. Administer a program designed to provide quality habilitative services.
 7. Provide technical assistance to voluntary providers, Regional Office, schools, and local government units.
 8. Track various program functions and report data.
 9. Prepare narrative reports as needed.
 10. Collect, analyze and summarize program data.
 11. Describe the progress of programs, expenditure levels, service needs met or unmet, number of cases, applications or complaints.
 12. Development and implement manual and automated processing, review, tracking and recording keeping systems.
 13. Provider direct supervision to employees in the unit, as assigned.
 14. Other duties as assigned.
