Higher Performing Framework

The diagram illustrates the Higher Performing Framework. It is structured into three main stages: CATALYSTS, STRATEGY, and OUTCOMES. CATALYSTS includes Leadership and Values. STRATEGY includes Policy & Goals, Financing, Training & TA, Service Innovation, and Outcome Data. OUTCOMES includes Integrated Jobs. Arrows indicate a flow from CATALYSTS to STRATEGY to OUTCOMES. A large blue arrow at the bottom points upwards, labeled INTERAGENCY COLLABORATION. A small logo for the State Employment Leadership Network is in the bottom right corner.

States' Experiences

- In what ways have you made progress toward a vision of holistic balance of work and CLE?
- What are the areas of most need for further work?
- What ideas have you pursued that might be helpful for your fellow SELN states to hear about?

State Employment Leadership Network

The SELN is a place for states to connect, collaborate, and create cross-community support regarding pressing employment-related issues at state and federal levels for individuals with developmental disabilities.

The SELN was launched in 2006 as a joint program of the National Association of State Directors of Developmental Disabilities Services and the Institute for Community Inclusion at the University of Massachusetts Boston.
