6

## Missouri

- Survey implementation across the state
- Early discussions of usage and application of results

7

## Rhode Island

- Guide discussions with providers and support new program design
- Assist individuals with supports to get back to work
- Inquire about how many people will remain out of work by choice and if that impacts their job

8

## States are invited to discuss:

What allowed you to continue services that were needed over the last three months?

9

## States are invited to discuss:

What was added to fill a need/gap (e.g., waiver amendments, new waiver types, etc.) that did not exist before?

10

## States are invited to discuss:

What changes are states considering to be beneficial, that might also better align with the 2014 Settings' Rule, and will continue in to the future structure of the system?
