Gross business income for the last three months

Gross business expenses for the last three months

## Facility based/Sheltered work

Click to edit or check the  
box to the right☐ Did not  
participate in this  
activity

Individual works in a group of individuals with disabilities. This category would include any group larger than 8, and smaller group settings that involve little or no contact with workers without disabilities. Typically the position is located in a facility or business owned or operated by the support organization, but may also occur in large groups in other settings such as a large enclave.
