

Career Pathways Drives Inclusive Apprenticeship and Partnership Systems
State Employment Leadership Network

September 18, 2019
3:00 – 4:00 PM ET

Driving Change Creating Opportunity

1

Presenters

Kirk Lew, Supervisory Policy Advisor, Youth Team,
US DOL, Office of Disability Employment Policy, U.S.
DOL/ODEP

Carolyn Jones, Senior Policy Advisor, Youth Team,
U.S. DOL/ODEP

2

Learning Objectives

- Define the mission and vision of ODEP and its commitment to developing inclusive employment policies and practices
- Vision for the Workforce and Partnership Systems
- Discuss ODEP's Apprenticeship Inclusion Models (AIM) Initiative and how it is preparing job seekers for the future of work
- Discuss two ways in which the Workforce and Partnership System can facilitate and support full access and participation in preparing job seekers for the future of work

3

Office of Disability Employment Policy (ODEP)

ODEP is the only non-regulatory federal agency that promotes policies and coordinates with employers and all levels of government to increase workplace success for people with disabilities.

CONTINUING CONVERSATION

2017 WIOA National Conference

No Wrong Door to Help Youth & Adults with Disabilities Achieve Their Goals

Vision: To create a workforce development system in which individuals with disabilities have full and easy access to WIOA-related programs and services.

7

7

CONTINUING CONVERSATION

2017 WIOA National Conference

WIOA - How do we start to braid funding?

- TITLE I – Workforce Development Activities
- TITLE II – Adult Education
- TITLE III – Wagner-Peyser/Labor Exchange
- TITLE IV – Vocational Rehabilitation

8

8

CONTINUING CONVERSATION

2017 WIOA National Conference

WIOA Models of Integrated Services

Measure System Change and Performance

Align Policies and Programs

Identify Funding Needs and Sources

Design Education and Training Programs

Identify Industry Sector and Engage Employers

Build Cross-Agency Partnerships

Six Key Elements of Career Pathways

9

9

www.selnhub.org, Dashboard, Network Meetings and Workgroups

3

Collaborative Success Factors (1)

- Partnerships and leadership essential to systems change
- Shared goals and strategies
- Contribution versus attribution
- Co-location helpful, need collaboration

CONTINUING CONVERSATION
2017 WIOA National Conference

U.S. Department of Labor, Employment and Training Administration

10

Collaborative Success Factors (2)

- Service planning and funding investment are essential
- Service mapping will capitalize on partners' strengths
- Staff capacity necessary for financial/admin oversight
- Data sharing between programs

CONTINUING CONVERSATION

U.S. Department of Labor, Employment and Training Administration

11

Example of Customer Center Design (1)

Pennsylvania's Dept. of Labor and Industry: Bureau of Workforce Development Partnership (Titles I and III), Office of Voc. Rehab. (Title IV), and Dept. of Education (Title II)

- Partners participated in DOL's Customer-Centered Design.
- Partners' research with employers found:
 - Many workforce organizations operate in a local area but few have enough people to provide talent to every employer at every given time.
 - Employers approach all of the agencies individually and fatigue results.

CONTINUING CONVERSATION
2017 WIOA National Conference

U.S. Department of Labor, Employment and Training Administration

12

CONTINUING CONVERSATION
2017 WIOA National Conference

Example of Customer Center Design (1)

- Partners quickly recognized that they could address the problem from both the employer side and the talent pool side and came up with the Partner Referral Network (PRN).
- PRN allows employers to search customers' profiles and resumes.
- PRN demonstrates integrated service delivery aimed at employers while also meeting the needs of customers.
- The PRN allows the partners to:
 - Refer clients between agencies to make the candidate pool bigger.
 - Maintain a single point of contact to minimize employer fatigue.

18

Career Pathways and Inclusive Apprenticeship

Cross-sector Collaboration

19

Career Pathways Framework

(7) CAREER PATHWAY.—The term “career pathway” means a combination of rigorous and high-quality education, training, and other services that—
(A) aligns with the skill needs of industries in the economy of the State or regional economy involved;
(B) prepares an individual to be successful in any of a full range of secondary or postsecondary education options, including apprenticeships registered under the Act of August 14, 1937 (commonly known as the “National Apprenticeship Act”, 50 Stat. 664, chapter 665; 29 U.S.C. 29 et seq.) referred to individually in this Act as an “apprenticeship”, except in section 171(c);
(C) includes counseling to support an individual in achieving the individual’s education and career goals;
(D) includes an appropriate education offered concurrently with and in the same context as workplace preparation activities and training for a specific occupation or occupational cluster;
(E) organizes education, training, and other services to meet the particular needs of an individual in a manner that accelerates the educational and career advancement of the individual to the extent practicable;
(F) enables an individual to obtain a secondary school diploma or its recognized equivalent, and at least a recognized postsecondary credential; and
(G) helps an individual enter or advance within a specific occupation or occupational cluster.

34 CFR §463.34 (WIOA) and 20 USC § 1091(d)(2) (HEA)

Driving Change Creating Opportunity

20

Apprenticeship Framework

An apprenticeship is a nationally recognized training program combining work with learning and training, both on and off the job. They combine the development of theoretical knowledge regarding a particular occupation or range of occupations with practical experience gained from doing the job.

Driving Change Creating Opportunity

21

Apprenticeship Inclusion Models (AIM)

Expanding Career Pathways for People with Disabilities

22

The Objective

- Build apprenticeship pathways that target youth and adults with disabilities into high-demand, well-paying careers
- Gain insights on how to scale up inclusive apprenticeship
- Contribute ideas and actionable practices to the national conversation on apprenticeship

23

Apprenticeship Inclusion Models (AIM) Demonstration Project (2018 – 2020)

Focus:
Working-age youth and adults (16-64) with disabilities to expand access:

- Occupational skills training
- Credential attainment
- Job placement and retention
- 500 job seekers

Approach:
Research, test, and evaluate innovative pilot models

- High-growth, in-demand industries/sectors, IT, healthcare, and advanced manufacturing
- Connectivity to supportive services

Driving Change Creating Opportunity

24

The Pilots	Pilot site	Anticipated outcomes and learnings include:
	Amazon (Apprenti) Vet-Focused (Registered Apprenticeship)	• Improve understanding of the transitional process for Veterans re-entering the workplace in IT, including software development • Broaden supportive services to address the needs of Veterans with disabilities • Create protocols to ensure inclusive work environments for PWD
	Industrial Manufacturing Technician (IMT) Apprenticeship Program (JFF) All Disabilities (Pre-Apprenticeship)	• Build a more diverse pipeline in advanced manufacturing • Create an online portfolio that assesses readiness for the IMT apprenticeship so that potential apprentices have their own personalized portfolio that documents prior learning in key competencies • Integrate portfolio into pre-apprenticeship programs
	Microsoft (Apprenti) Autism Focused (Registered Apprenticeship)	• Review existing services for supporting workers with disabilities • Explore best practices and opportunities within existing training efforts for individuals on the Autism spectrum • Support youth with disabilities in developing competitive skills in IT
	Healthcare Career Advancement Program (H-CAP) Autism Focused (Registered Apprenticeship, Pre-Apprenticeship)	• Research and design occupational fit and career mapping resources for PWD pursuing careers in healthcare via apprenticeship • Engage a employer coalition to identify ways to improve the hiring pipeline for PWDs • Document experiences from initial healthcare apprenticeship pilots serving people on the Autism spectrum
