1. Learn More - [Addressing the Policy Tangle](#).
2. Explore Your State's Resources –
 - [What's Happening in Your State?](#) - this interactive map identifies programs, policies, and resources existing in each state
 - [Medwaivers in College](#) there are two downloadable resources on this webpage
 - [State Legislation Funding Charts](#) - this resource identifies legislation passed, attempted or in process for each state (that we are aware of, we depend upon the public to let us know what new actions may be in process)
3. Learn about the programs - [College Search Tool](#) – this interactive map identifies programs with contact, website, and program details, by a number of filters (state, housing, CTP approved, etc.)
4. Promote Establishing Relationships with
 - Colleges & Universities with IPSE programs – see the College Search Tool above and filter for your state
 - Think College's Network of [State and Regional Alliances](#)
 - Programs and families in transitioning to agency/community supports upon college graduation
