College for Students with ID & Transitioning to Career & Community

6. 2023

With 2021 -2022, TPSID Annual Report Data

ThinkCollege

NATIONAL COORDINATING CENTER

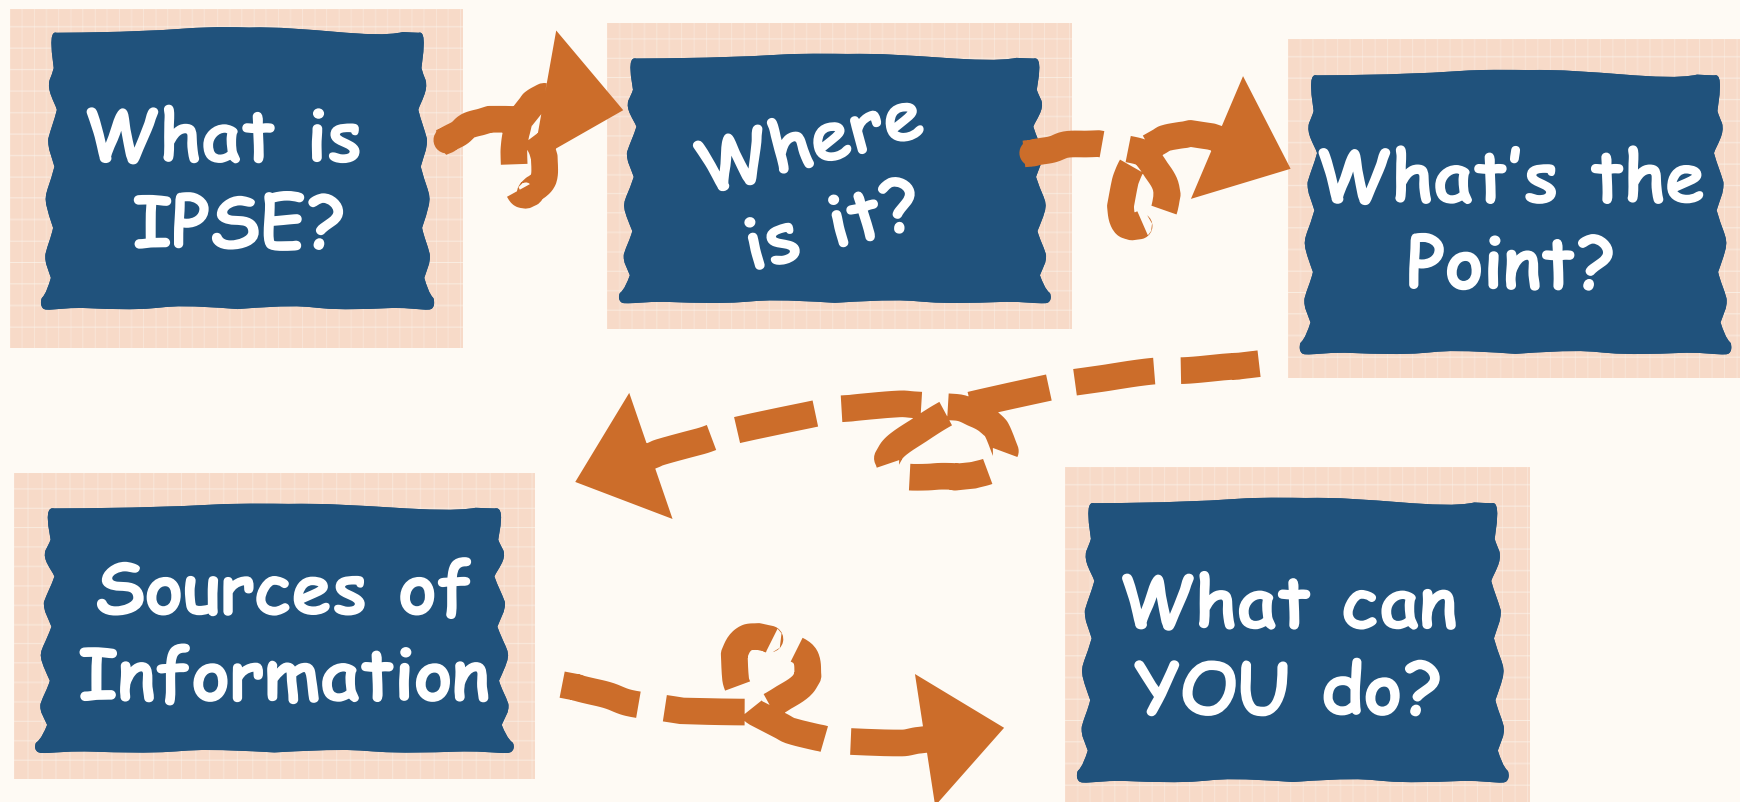

INSTITUTE FOR COMMUNITY INCLUSION, UMASS BOSTON

Who We Are

Federally funded since 2010 to coordinate data collection with TPSID projects and to provide training and technical assistance to colleges, universities, students, families, transition professionals, and K-12 educators who are interested in postsecondary education opportunities for students with intellectual disability (ID).

Let's Talk about IPSE!

What is it?

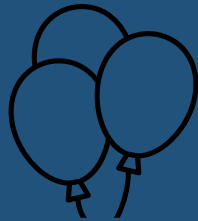

Inclusive Postsecondary Education for students with Intellectual Disability

College Programs for Students with ID

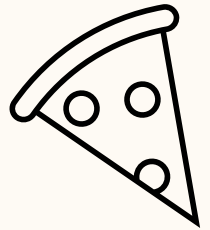

Key Features

- Access without standardized test scores
- Primarily non-degree seeking students
- 1 to 4 - year programs
- Varied inclusion practices
- Program of study & college certificate

**It's NOT just a
College EXPERIENCE**

CTP Approved Programs

require Students to:

Enroll in college coursework with non-disabled peers.

Focus on career and employment coursework & experiences.

Utilize advising through person-centered planning

Where is it?

College Search

The only directory of its kind, Think College Search features 313 colleges and universities that offer postsecondary education programs for students with intellectual disability. Users of this searchable online database can filter by state, length of program, type of school, options for living on campus, and more. To learn more, view these [Frequently Asked Questions](#) about college programs, how we gather the information in the directory, and how to use the features of College Search.

What's the Point?

Credentials Matter

Earning a credential
nearly doubled
the odds of
paid employment
at exit

First Year Retention

Students who started in 2020–2021 and continued in 2021–22

90%
TPSID Year 1,
first-year students

76%
ALL first-year
students nationwide*

*First-time, full-time, degree/certificate-seeking
undergrads

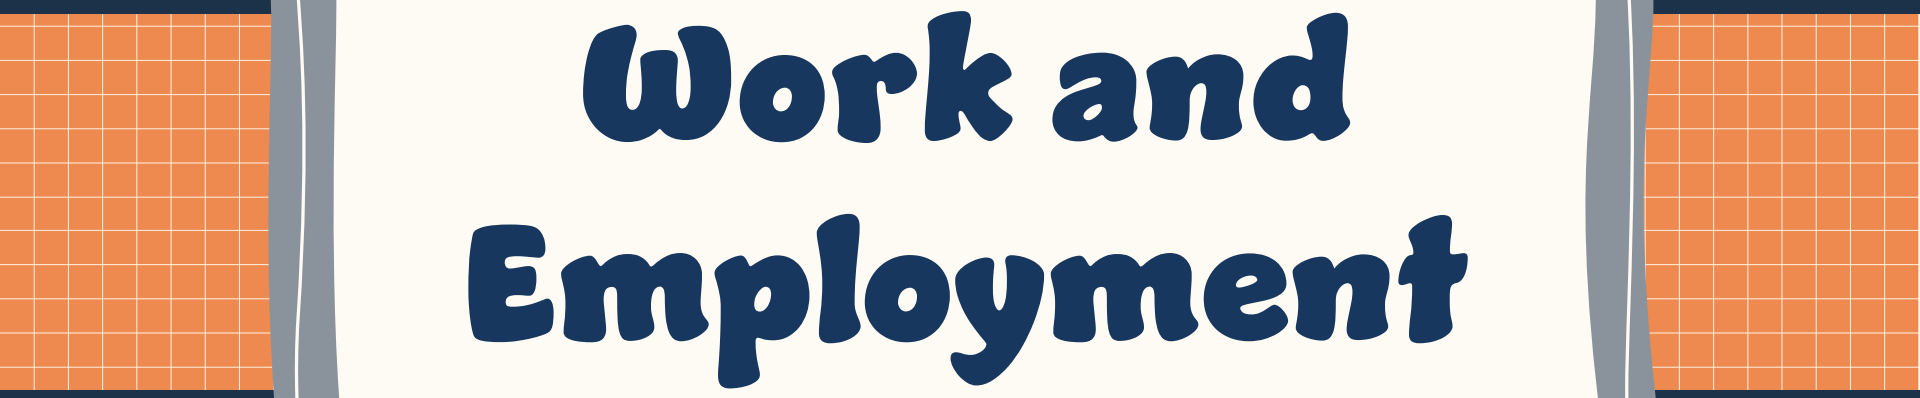

Independence & Career Skills

Away At College

60%

of ALL TPSID
students lived in
college/university
sponsored or
affiliated housing.

Work and Employment

Paid Employment

50% of
employed
students **never**
had a paid job
before entering
the TPSID

Paid Employment Predictors

What predicts paid employment?

-  more years of TPSID Program attendance
-  fewer specialized course enrollments

What DOESN'T?

- Unpaid career development

Employment Success in College

College
work experience
is critical.
