Annual Meeting Recap

**THANKS FOR JOINING US
IN ALEXANDRIA!**

Most valuable part of the annual meeting

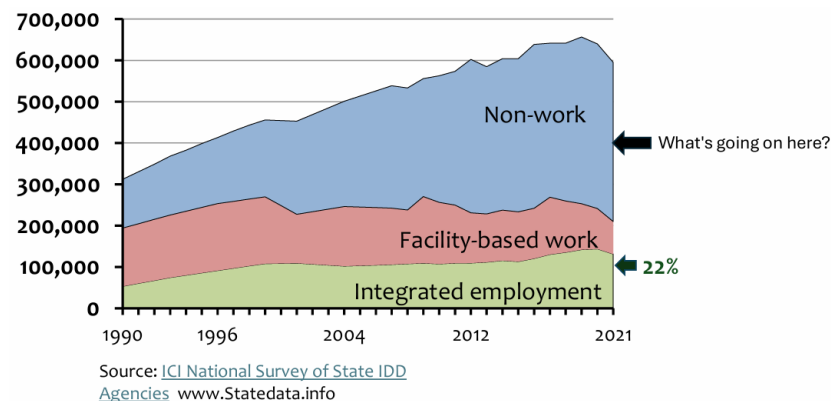

Survey Q:

What is the main thing to take back to your home state?

- Consistent communication with VR
- Make sure people being supported are a meaningful partner at the table
- How to start working on CLE
- Meeting regularly with partners
- As a network, we are not alone in our struggles, learn from and lean on each other
- Include partnerships with education
- Look for who is missing from the table

Community Life Engagement 2025

- Why aren't we moving the needle on employment?
- What's happening in non-work?

What We Hope to Explore

- Has your state set a clear vision for non-work?
- Do you know what's happening in non-work?
- What are the outcomes your state wants to see in non-work?
- How does work intersect with non-work?
- How is your state building capacity to support CLE outcomes while maintaining momentum toward work?

Looking Ahead

- **Workgroup discussions over multiple months:**
 - Context and defining the issue
 - Data and outcomes
 - Future resources and/or working documents
- **Interested?**

State Employment Leadership Network

The SELN is a place for states to connect, collaborate, and create cross-community support regarding pressing employment-related issues at state and federal levels for individuals with developmental disabilities.

The SELN was launched in 2006 as a joint program of the National Association of State Directors of Developmental Disabilities Services and the Institute for Community Inclusion at the University of Massachusetts Boston.
