1. <i>Baseline</i>						
2. <i>Post-Intervention</i>						
% increase/decrease						

COMPLETE ISP REVIEW, with the following COMMUNITY LIFE ENGAGEMENT GUIDEPPOSTS in mind:

- 1) Are Supports Individualized? Has a current Person-Centered Assessment been integrated into ISP?
- 2) Is Community Membership & Contribution promoted through Skill-Building and development of Valued Roles?
- 3) Is there an effort to Decrease Dependence on Paid Supports by and creating Networks of Natural Support?
- 4) Is there a Focus on Outcomes and an expectation that Goals can be Achieved, including those that lead to Employment?

Look for EVIDENCE of INTEGRATION, MEMBERSHIP and VALUED ROLES - "A Genuine Connection to Community"

Is the individual currently involved in, or clearly working towards any of the following?	ISP	SITE VISIT
Membership in an integrated community group		
Direct and Meaningful interactions with natural supports on an ongoing & regular basis		
Regular and ongoing participation in an integrated class or club		
Friendship and/or mentoring relationship with unpaid community members		
Paid or volunteer work in an integrated setting		
Direct involvement in neighborhood / community building activities /civic engagement		
Community Exploration that involves the person in direct and purposeful contact and connection with their community		
Other		

Additional Questions for ISP REVIEW:

Does the ISP state that the person has an AT Inventory? Communication Plan?

Is there evidence of Informed Choice?

Is the individual participating in the DISCOVERY Process?

Notes on WORK/LEARN Vision and Outcome:

SITE VISIT
