The image shows the cover of the 2013 StateData report. It features a blue background with a white map of the United States. Overlaid on the map is a bar chart with red and blue bars representing data for different states. The title 'StateData: The National Report on Employment Services and Outcomes' is at the top, followed by '2013'. Below the title, it lists the authors: 'John L. Thompson, Ph.D. & David A.
