

Person-Centered Individual Support Plan

Community and Employment Elements Overview for SELN 3.18.26

Eric Williams, Assistant Commissioner, Developmental Services
The Virginia Department of Behavioral Health and Developmental Services

Current Personal Profile Elements

Preferred Name

How I am best supported to direct my planning process:

My preferences for annual planning:

My preferred date, time, and location for my meeting:

List great things about {Preferred Name}

Important TO FOR

Instructions: To complete this section, consider and discuss the following life areas: **Employment, Integrated Community Involvement**, Community Living, Safety & Security, Healthy Living, Social & Spirituality, and Citizenship & Advocacy.

Describe what's important TO {Preferred Name}

Describe what's important FOR {Preferred Name}

Describe {Preferred Name}'s vision of the life he or she wants

Describe what {Preferred Name} doesn't want in his/her life

New Additional Personal Profile Elements

My preferred way to communicate:

- Speaking
- Writing
- Sign language
- Pointing to pictures or words
- Using a speech device
- Gestures
- Sounds
- Facial expressions
- Eye movement
- Touch or hand signs
- Text or email
- Other ways or other assistance
- Describe other:

The people I would like at my meeting include:

Describe how {Preferred Name} would like to connect with other people and be part of their community?

Employment status (select one).

- currently employed*
- currently employed, looking*
- previously employed, looking**
- previously employed, not looking or retired**
- not previously employed, looking
- not previously employed, not looking or child

New Essential Information Employment Element

Tool Tip: An **integrated work setting** is a workplace where employees with disabilities work full-time or part-time at minimum wage or higher, alongside employees without disabilities, performing similar tasks and having equal access to opportunities, resources, and interactions within the same environment.

Employment status (select one).

- currently employed*
- currently employed, looking*
- previously employed, looking**
- previously employed, not looking or retired**
- not previously employed, looking
- not previously employed, not looking or child

- currently employed
 - currently employed, looking
-
- previously employed, looking
 - previously employed, not looking or retired

New Essential Information Employment Elements

Are they working in an integrated setting?

Are they making at or above the current minimum wage rate?

In years, how long has the individual worked at their current job?

- Less than a year
- 1 to 5 years
- 6 to 10 years
- More than 10 years

Did they ever previously work in an integrated setting?

Was this at or above the minimum wage at that time?

In years, how long was the individual in the workforce?

Did the individual receive employment supports in the past? (select all that apply)

- DARS Vocational Rehabilitation
- School system
- Waiver Services
- Natural supports

Meaningful Employment Discussion

Was there a conversation with the individual/substitute decision-maker about employment? Yes/No

Was a conversation with the individual/substitute decision-maker about employment attempted but not completed?

Describe the reason the person does not want to discuss or pursue employment.

Did the employment conversation include **employment interests**? If yes, describe

Did the employment conversation include available **employment options**? If yes, describe

Did the employment conversation include **satisfaction or dissatisfaction with current services**? If yes, describe

Meaningful Employment Discussion

Did the employment conversation include possible **barriers to employment**? If yes, describe

Indicate all the current barriers to employment. →

Did the employment conversation include ways to resolve barriers to employment? Yes/No

Ways to resolve barriers discussed (select all that apply)

None
Impact to benefits
Transportation
Safety
Lack of awareness
Other - describe

A: Benefits Planning
B: Employment and Community Transportation
C: Workplace Assistance
D: Therapeutic Consultation
E: Community Engagement/Coaching for education
O: Other - specify

Did the employment conversation include a **timeline for reviewing options in the future**? If yes, describe

Did the employment conversation include **any related actions that will be taken**? If yes, describe

Meaningful Employment Discussion

Is the individual between 14 and 17 years old at the time of this discussion?

Did the employment conversation include what the person is working on at home or school that leads to employment? If yes, describe

Did the employment conversation include how alternate sources of funding can support employment? If yes, describe

Tool TIP: “For example, alternate sources of funding can include DARS vocational rehabilitation, school funding, private pay).”

Essential Information also considers:

Volunteer status

How community involvement is occurring

A series of questions related to an integrated community involvement discuss that mirrors the employment discussion questions

A discussion about unpaid relationships

Current primary employment or day setting

Interest in pursuing integrated service options

General demographic information, health, history, etc.

Desired Outcome

- Employment
- Integrated community involvement
- Community Living
- Safety & Security
- Healthy Living
- Social & Spirituality
- Citizenship & Advocacy

Risk Assessment

Pressure Injury
Aspiration Pneumonia
Fall with Injury
Dehydration
Bowel Obstruction
Sepsis
Seizure
Community Safety Risks
Self-Harm
Elopement
Lack of Safety Awareness
Substance use
Suicidal ideations

Routine Supports

- Adaptive equipment/DME
- Bathing
- Communication support
- Dressing
- Restroom support
- Positioning/transferring
- Personal appearance
- Medication use
- Housekeeping
- Laundry
- Shopping
- Meal planning/preparation/intake
- Banking/money management
- Medical appointments
- Transportation
- Crisis plan
- Other routine support #1 (e.g., dialysis, catheter care, ostomy care)
- Other medical #1 (e.g., high/low blood pressure, dementia/neurological impairment, respiratory care, G-Tube, etc.)
- Other behavioral #1 (e.g. Self-neglect, trichotillomania, severe stereotypy, etc.)

Key steps and services to get there

Support Type

Relationship-based
Community-based
Eligibility-based

Support Provider Name

Start Date

End Date

New elements for meeting evaluation

Was my meeting what I wanted it to be, including where, when, and who was there?

Does my plan describe what makes me happy, including where I want to live and work, and people I want to spend time with?

Does my plan describe things I do or do not want to do, and new things I want to experience?

As described above, has telemedicine been discussed with the individual and substitute decision-maker as applicable?

Does any team member have concerns with the individual's ability to receive services virtually through telemedicine? Describe concerns.

• Community Engagement • Community Coaching • Group Day • In-Home Support • Individual and Group Supported Employment • Service Facilitation • Benefits Planning • Community Guide • Peer Mentoring • Therapeutic Consultation • Workplace Assistance • Individual/Family Caregiver Training • Independent Living Supports

Services with telemedicine option

Outcomes, Risks, and Routine Supports addressed.

Measurability updates – how outcomes are supported at the provider level:

Enter a Support Activity. *

Grocery shopping

Select how often this activity will occur?

At least once per week ▼

Provide the target date to complete or reassess this activity? *

3/27/27

Does the activity help maintain or develop new skills? *

☒ Yes ☐ No

Measurability updates:

List the instructions that the supporter will follow and how the person will participate.

Ask John if he would...

Describe what will be recorded.

Yes or no

Without skill-building, the focus is on the activity occurring through an expected end date.

Skill-building measurability updates:

Enter the individual's preferred name.

John

Describe one observable skill using an action verb.

pays the cashier

Select the type of support needed for success.

gestures

Select how many successful demonstrations are expected.

once

per week

Select the timeframe for achieving those successes.

ten

weeks

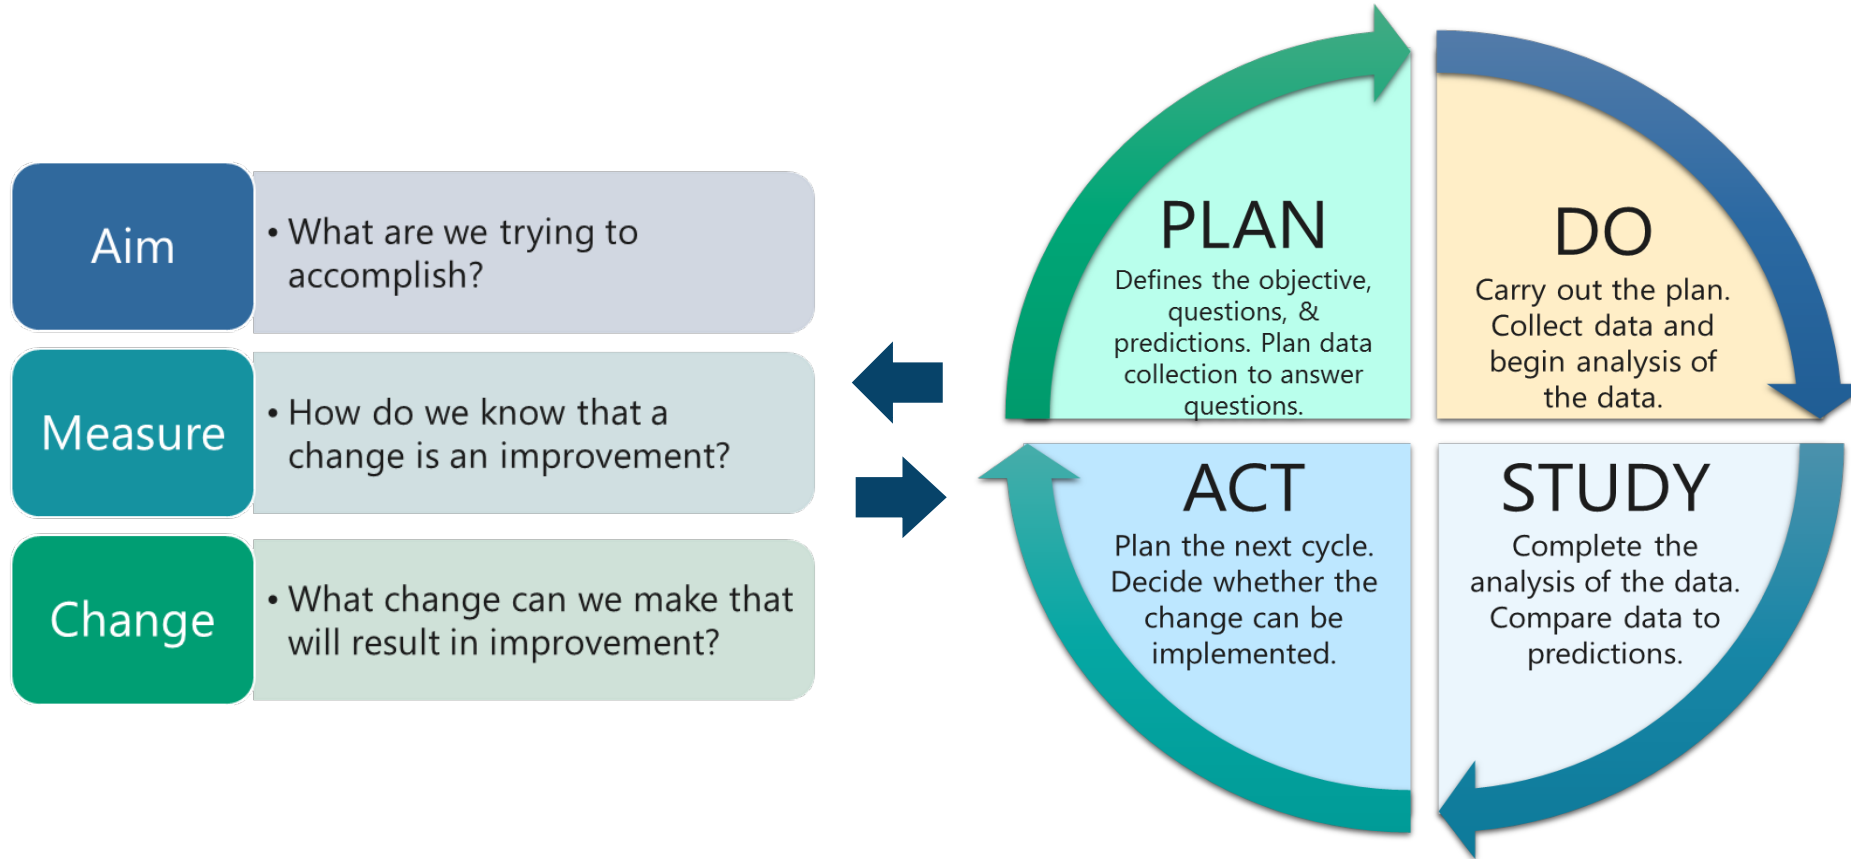

Generates based on entries above

John pays the cashier with gestures once per week for
ten weeks .

With skill-building, the focus is on demonstrated ability over time with Yes/No data collection.

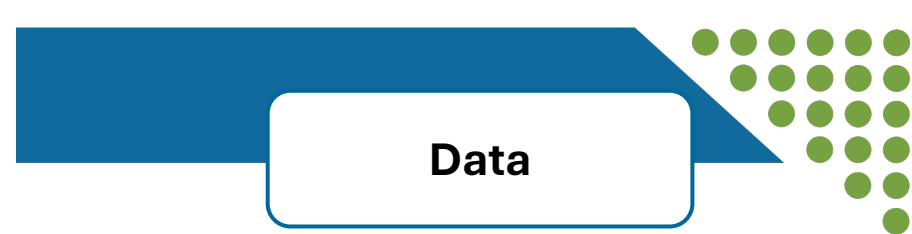

A Quality Improvement Initiative uses data analysis to determine area(s) of needed improvement followed by establishing a plan for improvement.
